AMHA Equipment Policy

Jerseys

- Coaches are required to sign for the team jerseys to ensure that they are properly cared for.
- Game jerseys are NEVER to be worn during practice.
- Game jerseys are NEVER to be worn for any other function other than an Arnprior Minor Hockey Association (AMHA) game or team event. For example, jerseys are not to be worn for outdoor hockey, public skating, hockey development sessions, etc.
- Should a Home or Away jersey be lost or damaged, the coaching staff will be responsible for replacement, at the discretion of the Equipment Director. Replacement costs are \$90 per jersey to AMHA.
- Team jerseys should be washed throughout the year and hung out to dry. DO NOT USE DRYERS.
- Players may keep their jerseys during the hockey season providing they have a jersey bag to keep them in.
- Jersey Name Bars – for those teams that would like to add name bars to their jersey, the bars will have to be purchased from AMHA and the sewing will need to be sent to an AMHA pre-screened business ensuring no damage to jerseys and consistency.
- Green Name Bars go on Green Jerseys, White Name Bars go on White Jerseys. Additionally, the name bars are to be located above the number but below the shoulder seamline. Some jerseys have a stop sign and that may be covered to properly locate the name bars.

Proper location

Too high. Keep below shoulder line.

- Removal of name bars, A's, C's - Great care must be taken when removing the name bars to ensure no damage has been done to the jerseys.
- Jerseys are to be returned to AMHA in the same condition as they were handed out. This includes removing puck marks, rips/tears, jersey strings and hangers.

Socks

- AMHA hockey socks are required as part of the team uniform and are to only be used for games.
- AMHA will provide every registered player with one (1) pair of green and one (1) pair of white AMHA hockey socks for the season.
- Additional / replacement green or white AMHA socks may be purchased from the AMHA Equipment Director (while supplies last).

Pucks/Pylons

- AMHA has provided each team with 40 practice pucks and 4 game pucks. Do not mix up your practice pucks with your game pucks as they are very different.
- AMHA has also provided each team with 15 pylons. The expectation at end of year is to return 40 practice pucks/15 pylons in the milk crate it was handed out in. Missing or non-returned items will be charged to the team.
